Assistant Director for Communications

Contract XG-995, Technical Action Request No. 1

- 1. The Technical Action Request No. 1 outlines changes required to improve the reliability of the RA-2 adaptor.
- 2. The request has been approved from the technical standpoint as indicated by the signatures on the attached copies of the T. A. R. The additional costs as outlined in the T. A. R. are also considered reasonable and proper and you are hereby authorized to commit funds to the amount of \$222.00 for the purpose requested. These funds are chargeable to original Allotment No. 2995-60-08 fiscal year 1953, since no quantity increase is involved.
- 3. It is requested that Technical Action Request No. 1 be formalized and made a part of the contract, and that approved copies be forwarded to the contractor.
